Posting Date: 26 March 2018

Closing Date: 20 April 2018

Expected Start Date: 1 May 2018 (negotiable)

The Salt Lake City Mosquito Abatement District (SLCMAD) is a local governmental entity serving the citizens of Salt Lake City. Our mission is the enhancement of health and quality of life through the suppression of mosquito transmitted diseases and the reduction of annoyance levels caused by mosquitoes. Current operational budget stands around \$3.3 million. We are seeking a highly motivated individual to assist the District in fulfilling our mission.

Responsibilities: Assists the District in conducting day-to-day operations; responsible for public outreach and all educational programs for the District; performs educational presentations, with special emphasis on core science development for 4-6 graders; will also act as an Outreach Coordinator and Public Information Officer for the District, assisting with community events and media relations to promote public awareness of the District's mission, activities, and function. As Safety Officer, is responsible for monitoring and assessing hazardous and unsafe situations and developing measures to assure personnel safety; will assist in ensuring compliance and acquisition/implementation of personal protective equipment; will perform/assist with other work and/or tasks as needed or requested; reports to Assistant Director. The Education Specialist is a full-time employee hired on a salaried basis.

Required skills and abilities: Must have a thorough knowledge of the scope and subject of mosquito surveillance/control, as related to Integrated Mosquito Management; demonstrated ability to supervise the work of others and capability to effectively and cooperatively work with superiors, colleagues, academics, and the general public; general computer skills and understanding of databases; must have a valid driver's license and meet all aspects of the District's job description (available upon request) for this position.

Beneficial Skills: Previous experience in mosquito control and/or working experience in a related field; general knowledge of child and adult educational practices, vector ecology/biology, and pesticide applications/calibrations.

Benefits: Annual salary range \$45,000 to \$70,000 commensurate with experience; family health insurance; state retirement; 401(k) plan; generous Vacation/Sick leave.

Contact: Please contact Ary Faraji (ary@slcmad.org) for further information and application packet.
